

**MAUMELLE FRIENDS OF THE ANIMALS (MFOA)
OFFER FREE AND DISCOUNTED
SPAY/NEUTER PROGRAMS**

MFOA is joining with local veterinarians to address a serious problem that plagues the nation and our community. Millions of precious dogs and cats are euthanized each year for lack of loving homes due to an ever-expanding animal population. Nationally, last year alone, seven millions animals were euthanized. Statistics reported by Maumelle Animal Services indicate that an average of 30 animals were euthanized each month in our very own community!

You can play a part in positively impacting these alarming statistics by having your pet spayed or neutered. If your pet is not spayed or neutered and you need financial assistance for this essential procedure/service, we invite you to participate in our program.

All you have to do is apply to MFOA by filling out this form and mailing it to: MFOA, P.O. Box 13061, Maumelle, AR 72113. If your application is accepted you will be mailed a certificate for a **FREE OR DISCOUNTED** spay/neuter procedure at one of our local clinics.

Take the certificate and your pet to the indicated veterinarian before the expiration date on the certificate. That's it, and it's free or affordable. This program will continue as long as funds are available. If you choose to render a donation to MFOA at the time of your pet's spay or neuter, it would be deeply appreciated.
